From the Crown

Unto the good people of the Outlands, Their Royal Majesties, Artan the Fifth and Aziza, King and Queen send warmest greetings.

Good People,

May your hearths be warm in these cold winter months and may the fires of war begin to stir within each of you. We are exceedingly pleased to once again sit the noble Outlands throne. It is a great responsibility and an extreme pleasure and We shall strive to do Our best to insure justice and peace for all of Our subjects all over Our realm.

Thank you to the Citadel of the Southern Pass for hosting Coronation. We appreciate all of the hard work you all have done. We also want to thank al-Barran for sponsoring the Toys for Tots tourney, it is a worthy cause and we are proud to be a part of it.

We have experienced a deep sadness here in the Outlands with the passing of Mistress Aileen Bardon. She was an especially fine woman who gave of her time and knowledge to all who asked. We and all the Outlands shall surely miss her counsel and her friendship.

We wish to congratulate and thank Our predecessors, Jarl Hrothgar and Countess Madigan. We are very grateful for all of the hard work, time, and care with which they ruled Our Outlands.

We now call for the fighters, waterbearers, archers, artisans, and everyone else to begin to prepare for the Estrella War in February. We shall be a principal again this year and we want the Outlands to shine even more than we did last year (if that is not impossible). We have appointed Baron Otto the Obscure, K.S.C.A., Our commander for the Northern Outlands forces, and Jarl Vagn Olafson, K.S.C.A., the commander for the Southern forces. We shall be in overall command Ourselves. Our commanders will be contacting the various groups and begin briefing you for the war.

If you have any questions or concerns please feel free to contact us. In writing is better for us. Please know that we remain in service to the Outlands,

Artan V
King

Aziza
Queen

Un Fuego en el invierno

30 December

Storeroom getting low? Seen too many visitors over the winter holidays? Tired of being cooped up indoors and never getting to fight campaigns outdoors where creatures belong? Then join us in all your finery in Tygre's Keep and Dragonsspine for a event in honor of the union of Lady Alejandra Abelena Isabel Marin and Lord Javier de Los Santos!

The event will commence with fighting around 12:30. Games, war scenarios, and a tournament will be the fighting fare of the day for heavy and light weapons fighters. As evening approaches and appetites increase we will away from the fighting fields to the feast hall. The feast will commence at 6:00 pm, where we would like to see a variety of dance and music. So bring your drums, recorders, harps, bodies, voices, and whatnot to join in a merry time for one and all.

Although it is not part of the official SCA event, if you want to attend the 14th century wedding, it will be held at Shove Chapel on the Colorado College campus. It will begin at 11:00 am SHARP. All who wish to attend are welcome. We would love to have you there, in garb of course.

The Tournament: The actual event will begin directly following the wedding at approximately 12:30 pm in Armstrong Quadrangle located outside the chapel. We will fight whether it snows or not! However, if it rains heavily, we will have to forgo the fighting.

The Feast (cooked by Mistress Elaina): The site for the feast is St. Mary's Cathedral Conference Hall, located at 22 W. Kiowa. Because of the wedding before the event there will be mundanes present, though many of them will be assuming personae for the day and will be dressing accordingly. We want as many of you there as possible to extend our famous Outlandish hospitality (and to outnumber the mundane guests)!

Fees: Site fee it $3.00 ($6.00 for non-members). Feast is $5.00. Reservations are required since we have limited space. Please place feast reservations by December 15, 1995.

Directions: To the Colorado College campus (the tournament site) take I-25 to exit 143 (Uintah St.). Go east to either Cascade or Nevada. Turn south. Shove Chapel is very visible from whichever street. Street and parking-lot parking are available around the campus.

To St. Mary's from I-25 take exit 142 (Bijou St.) and go east. Bijou turns immediately into Kiowa (one-way east). The cathedral is the large brick building with the golden steeple on the left.

To St. Mary's from the fighting site: Head south on Cascade to Bijou and take the second right onto it so that you can take an immediate left into the parking lot.

Additional information: All sites are BONE DRY. We would like to make the hall as beautiful as possible, so we request the presence of many banners to display in the hall at St. Mary's. We are not allowed to affix anything to the walls or ceiling, as this is a brand new beautifully remodeled facility. Therefore, you will need to provide your own indoor banner hold and stand (plaster of paris in an old coffee can works beautifully). We, the bride and groom, will be meeting at St. Mary's from 1 - 4 pm on the afternoon of Friday, December 29 to decorate the hall. All who are able and willing to help are more than welcome to show up. We will provide music and refreshment for all who attend. For hotel accommodations, please call Lord Javier.

For more information, please feel free to contact the autocrats.

Candlemas

February 3

The sea's thunder rumbles
The mountainous waves are high as rocky walls;
Out of them bursts...THE NORSEMEN!

The great Barony of Dragonsspine invites all to come and celebrate Candlemas in true Norse tradition. The site opens at 10am and closes at 11pm. It is a day devoted to fighting, fun, and frolic on the grand scale of the Vikings. Events include:

Hagar's Heavy Weapons: A very special heavy weapons event is planned by Lord Stefan Langsteaker and Wulfric. (For more information call Lord Stefan at (719) 573-8498).

Floke's Fencing Competition: Truly the anachronism of this event, fencers will be magically transported to Viking times in a tournament organized by Lady Alexandria Morgan.

Ragnar's Rags: A prize will be awarded for the most authentic Viking garb worn at the event.

Athelred's Axe Throwing: Try your luck at throwing axes at our warrior target and log your score on the paper provided. High score will win a prize. (There is an adult's and children's prize).

Hunkerhausen: Play Viking tug-of-war over our "fire pit".
Knotlinger: Try your skill at the Norse version of badminton.

Skadi's Stitchery: Teams of approximately five individuals (prizes will be available for five) will construct Norse garb for one member of the team entirely on site. Teams should bring all materials needed, but nothing should be pre-cut or stitched in any way. Be prepared to hand sew as the Vikings did not have magical little dragons to sew for them.

Bragi's Wandering Word-Fame Bardic: Participants should prepare a bardic rendition extolling some feat or attribute of an individual or group who are members of the populace of the Outlands. Competitors will wander amongst the festivities, and give toasts at feast, performing their works. Participants in the other competitions are encouraged to "hire" a skald for this competition, to spread their fame and strike fear in the hearts of their opponents. Best Word-Fame Bardic will win a prize.

A magnificent feast in northern tradition will be prepared and served by the Cooks Guild of Dragonsspine under the direction of Baroness Miranda. The menu includes:

Bread, cheese, walnuts and apples • Smoked salmon (not lox) Savory elk and barley porridge • Birdies Pie
Pork and cabbage • Honey spice cake

Vegetarian dishes will be available but please stipulate when making your reservations. Reservations are strongly encouraged as seating is limited to the first 100. There will be off-board seating as space allows. Large groups wishing to sit together should so indicate on their reservations.

Children's activities will be arranged by Lady Lydia. The indoor site is large enough to conduct the competitions inside in case of inclement weather. All minors must be accompanied by a responsible adult (21 or older) and, if not with a parent or legal guardian, have a written medical permission slip naming the child, adult, the date and the event.

Site: Sally Bush Community Center, Green Mountain Falls, CO. The site is wet inside the building only.
Site Fee: $3.00 (Additional $3.00 for non-members. Children 12 and under are free.)
Feast Fee: $7.00 until January 15, $9.00 thereafter. Money orders or checks payable to SCA-Dragonsspine are required with your reservation.

Your Day in Court

Mistress Elaina de Sinsitre

At Dragonsspine Arts and Sciences Her Majesty, Queen Madigan, suggested to me that a short article on how to behave in court would be well received by the readers of the *Outlandish Herald*.

Certainly, at many events in the Outlands you will see the King and Queen or the Baron and Baroness hold **COURT**. Sometimes this is done quite informally (at dinner, for instance), sometimes with a great deal of pomp and glitter (a coronation, for example). A royal court can be held for any reason the monarch chooses... to receive ambassadors, install new officers, receive gifts, receive oaths of fealty, or give awards. Baronial courts are usually held to install new officers, make baronial awards, or recognize the achievement of members of the barony.

The first time you are called into court, you will probably be very excited and a little confused. Here are a few simple hints to get you through your first day in court. The herald will announce the court, and the royalty or barons holding the court will march in. Everyone stands for this, and bows or kneels as the procession passes them. Once settled on their chairs of state, the monarchs usually have the herald ask the populace to be seated. The herald is the voice of the Crown, and it is considered exceedingly rude for anyone to talk while court is being conducted. (This goes for dogs, babies, and children, too!) Various officers and subjects are called before the court.

If you are called, respond quickly by coming to the front of the room, bowing or curtseying respectfully, and then kneel (or stand if you have physical difficulty kneeling) to listen to the monarch. When you are dismissed, bow or curtsey again, take two or three steps backwards, then turn and leave the court. When court is finished, the Herald will announce the end of court. All rise and stand while the monarchs process out.

Laws of the Kingdom of the Outlands

[Current as of October AS XXX (1995)]

I. LAWS

A. These Laws may be amended, added to, or deleted by the Crown.

B. Any change, deletion, or addition shall be proclaimed at Court at a published S.C.A. event within the kingdom of the Outlands and shall become law as soon as it is signed and proclaimed as described above. It must then be published in the Kingdom newsletter in the earliest possible issue. No subject shall be considered to be breaking a new law until that law is proclaimed at an SCA event and published in the Kingdom newsletter.

C. Any changes to the Laws shall be reviewed by the Kingdom Seneschal who will ensure that the Laws are consistent with Corpora and will witness the document.

D. All changes to Law must be signed by the Crown.

II. RIGHTS, DUTIES, AND PRIVILEGES OF THE CROWN

A. All references to "the Crown" shall be deemed to refer to "the Crown of the Outlands" and shall consist of the positions of Sovereign and Consort held by the King and Queen.

B. The Crown must continue to reside within the boundaries of the Kingdom throughout their tenure as Successors to the Crown and for the duration of their Reign. Failure to do so shall be considered as forfeiture of the Crown for the one, or both, living outside the Kingdom.

C. Early in the Reign the Crown shall, with the assistance of their Seneschal, set the dates and sites of the Crown Tournament and Coronation to choose and invest their successors.

D. The Crown shall maintain a regular means of quick communication and dependable transportation.

E. The Crown shall confer awards upon individuals. Only members of the S.C.A. may receive said awards.

F. The Crown shall call courts as may be necessary for the governance of the Kingdom. The primary purpose of any such court is for investigation of questions and issues, for opening communication on issues, and for the clarification of issues.

G. The Presence of the Crown shall be ten (10) feet around their Persons or their thrones. No one may enter this area without rendering courtesy as is right and proper.

H. The Crown may set the Order of the March for their Courts and for Kingdom events.

I. It shall be assumed that all persons who complete a full reign as Crown of the Outlands have met the requirements for elevation to the peerage. The granting of Royal Peerage shall therefore be accompanied by a Patent of Arms. Any Peer who wishes to rebut this assumption may petition the prospective Crown prior to the granting of the Patent.

J. Each Consort shall be admitted into the Order of the Rose at the end of his/her first full reign. Companionship in the Order of the Rose shall carry neither arms nor precedence and an individual may be admitted only once.

K. The Crown shall file with the Kingdom Chronicler a list of all awards given during the reign.

III. SELECTION OF ROYALTY

A. The rules of the crown lists shall be the Rules of the Lists and the Kingdom fighting conventions, as approved by the Sovereign of the Kingdom in consultation with the Earl Marshall.

B. Prospective entrants and consorts shall present themselves before the Crown on the day of the Crown Lists. The entrants shall state their intent to win the Crown of the Outlands. Emergency absence of the prospective consort may be considered by the Crown on a case-by-case basis.

C. Each entrant, upon being accepted by the Sovereign, must swear a solemn oath upon the sword of state before entering the tournament. Each entrant must also swear that he/she fulfills the requirements and will be honorable in the tournament, and that the person championed is fully qualified.

D. To be eligible for the Crown Lists, the entrant and prospective consort must meet all of the following requirements in addition to those stated in Corpora:

1. be acceptable to the Sovereign.
2. be at least eighteen (18) years of age by the scheduled Coronation.
3. have resided within the boundaries of the Outlands for the six (6) consecutive months immediately prior to the day of the Crown Lists.
4. have regular means of quick communication, dependable transportation, and sufficient income to support the Crown should they win.
5. be knowledgeable of the structure and laws of the Kingdom of the Outlands and the Society.
6. have their names and devices approved by the College of Arms, submitted to the College of Heralds of the Outlands, or within the submission process in another kingdom with a one year grace period.
7. the entrant must be an authorized fighter of good standing.

E. The Sovereign may remove any fighter from the field should, in the opinion of the Sovereign, the fighter's conduct be unchivalrous. The Sovereign should take consultation before removing any fighter from the Lists.

F. An entrant, or prospective consort, may petition the Crown to be allowed to withdraw at any time before or during the Lists. If a prospective consort is allowed to withdraw, the entrant who carried that person's favor is thereby disqualified.

G. Any entrant or consort whose arms have been approved in sufficient time to do so must display them during the tournament as follows: the entrant's arms must be prominently displayed on the field (e.g. shield, surcoat, or tabard); the prospective consort's arms must be prominently displayed at the side of the field (e.g. on a banner, standard, or article of clothing.)

IV. SUCCESSION OF THE CROWN

A. At the scheduled time for Coronation, following a successful Crown Tournament, the Crown must yield the crowns, thrones, files, and regalia to their successors.

B. The prospective Crown of the Outlands will be crowned according to the customs of the land.

C. Should the prospective Sovereign, through no personal fault, be unable to attend the Coronation, such steps as seem necessary and which are acceptable to both the prospective Crown and the reigning Crown shall be taken so that he/she may achieve the Crown.

D. Should the prospective Consort, through no personal fault, be unable to attend the Coronation, such steps as seem necessary and which are acceptable to both the prospective Crown and the reigning Crown shall be taken so that he/she may achieve the Crown.

E. The Crown shall call a Curia Regis should either the prospective Sovereign and/or Consort fail to appear and there is sufficient evidence to suggest that this failure was through personal malfeasance.

F. Should the decision of the Crown at the Curia Regis be that the prospective Sovereign and/or Consort failed to appear through personal malfeasance, a Court of Inquiry shall be called.

G. If the prospective Sovereign shall abdicate or be disqualified, the Crown shall call a new Crown Tournament as soon as one may reasonably and legally be announced. This shall determine a new couple to receive the Crown, and they shall be invested at the court following the list. The abdicated/disqualified prospective Sovereign may not participate in this tournament. If the prospective Consort shall abdicate or be disqualified, the prospective or new Sovereign shall choose a new Consort who meets the qualifications as stated in Section III D.

H. Should the Crown refuse to yield the regalia to the Crown Prince and Princess, the matter should be brought before the Board of Directors for their adjudication. Should the Board overrule the Crown, then the Crown shall surrender all of the regalia to the Crown Prince and Princess at an event acceptable to all parties. Should the Board rule with the Crown, the Crown Prince and Princess shall be disqualified.

V. PROVISION FOR THE ABSENCE OF THE SOVEREIGN AND/OR CONSORT

A. If, at any time and for any reason, the Sovereign and Consort are unable to complete their reign, the duties of the Sovereign shall revert to the most recent Sovereign willing and qualified to serve as Regent. To be qualified, the Regent must be a paid member, reside within the Kingdom, and have dependable transportation and means of quick communication. The regency shall not be considered a reign and the Regent shall not make awards nor proclaim Law.

B. If a Crown Prince and Crown Princess have not already been determined, the Regent shall ensure scheduling of the Crown Lists as soon as may be reasonably and legally proclaimed and shall exercise ceremonial authority of the Sovereign in managing the Lists. Investiture of the new Sovereign and Consort shall take place at the closing court following the Lists.

C. In the event there is no Consort, the Sovereign shall choose a new qualified Consort and shall serve out the remainder of the reign.

D. In the event there is no Sovereign, the Consort shall assume the duties, rights, and responsibilities of the Sovereign upon investing a new qualified Consort and shall serve out the remainder of the reign. In this event, however, the Kingdom Earl Marshall shall supervise the fighting on the field.

E. The new Consort's investiture must be performed at a published Society event.

F. Until the new Consort is invested, the remaining King/Queen shall have only the powers of a Regent.

G. Abdication or disqualification of the Sovereign or the Consort does not constitute a full reign. This disallows the right to County or Ducal titles which may have been forthcoming from their reign.

A. There will be two Crown Tournaments held per year, one shall be held on the second weekend of April, the second on the second weekend of July.

B. Coronation will be held on the second weekend of May and the second weekend of November.

The title shall carry such precedence and honor as it is the pleasure of the Crown.

F. There shall be at least one "Warlord of the Outlands" tournament each calendar year. The tournament shall be organized according to the wishes of the Sovereign. 9. be dissolved by a two-thirds majority of the judges;

10. have any decision and recommended sentence be rendered by a two- thirds majority of the judges. A verdict reached by the two-thirds is binding on the Crown. The Crown may either follow the Court's recommended sentence or may choose another.

11. render the charges and specifications "not proven" should the court fail to reach a two-thirds majority for a verdict;

12. have its decisions and the Crown's judgment placed before the Board of Directors if the person sentenced wishes to appeal. If there is an appeal, the Crown has the option to withhold sentence until after the next meeting of the Board of Directors.

F. In order to insure that the courts are fair and representative of the facts, the principals to the dispute have the right to cross-examine witnesses, introduce evidence, and in general, present their case.

The Kingdom Seneschal will attach these recommendations and his/her own recommendation to the petition. This packet will then be sent to the Crown for their approval. Approval, if granted, will be proclaimed at an official event and printed in the Outlandish Herald. Official status shall be dated as of the proclamation. The Seneschal may hold the petition while asking for further information from the petitioning group.

D. Subsidiary branches shall meet and maintain the requirements as set down in Corpora.

E. In addition to the requirements established in Corpora, subsidiary branches must have established communications with the appropriate superior officers.

V. Rules for Scenarios

A. Each Open Field, Broken Field and Bridge Battles will be fought three times. In each battle, two Kingdoms shall fight as Principals for a War point, with the third Kingdom splitting their forces to even the sides. The order for these shall always be:
Atenveldt vs. Caid
Atenveldt vs. Outlands
Caid vs. Outlands

B. Saturday, armies of all three Kingdoms must be counted and on the field by 9:30 AM. On Sunday, armies of all three Kingdoms must be mustered on the field by 10:30 AM. If necessary, a redistribution of forces will be done by the Earl Marshalls on Sunday.

C. The Earl Marshall of each Principal Kingdom shall be responsible for splitting the forces for that Kingdom. All three Principal Monarchs must be in agreement about the distribution of forces before combat begins in any scenario.

At the muster on Saturday, combatants will be counted at count points on the field. Three count points will be used, one for Atenveldt, one for Caid, and one for the Outlands. Combatants not of one of those kingdoms must ally at that time by choosing which count point to use. The fifteen minute warning for the first battle will be sounded as soon as the count is complete.

If a fighter has not been counted, that fighter may not fight until a count sticker is issued by the Earl marshall of one of the principal Kingdoms.

D. Forces shall be identified by providing each fighter with two of the following colored strips of tape at the beginning of Saturday:
Atenveldt=blue,
Caid=White,
Outlands=Green.
Fighters will be instructed to place two colors of tape on their helmets as instructed by their Earl Marshalls after the count of troops is conducted.

E. Battles will begin when stated, at the sounding of an air horn. Three short blasts will signal fifteen minutes to lay-on. Two short blasts shall signal ten minutes to lay-on. One short blast shall signal five minutes to lay-on. Lay-on shall be one long blast with a verbal "lay-on!" from the Marshalls.

F. Only local holds will be allowed and only for severe injuries or a helm coming off. Any person, including a marshal, who calls hold for any other reason will be ejected from the fighting field and dealt with under the provisions of section IIIb. In the case of a local hold, all combatants will immediately be moved to a combat area at least twenty (20) feet from the injury and fighting will be resumed.

G. All boundaries shall be hard defined and made known to all Marshals. Troops pushed out-of-bounds will be escorted back into bounds by a Marshall. No troops from either side shall be permitted to enter the battle after the five minute horn has sounded.

H. The Earl Marshalls shall divide the field in half prior to the scenario. Armies may deploy anywhere upon their side prior to "lay on".

VI. Battles

SATURDAY

1. OPEN FIELD SCENARIOS:

The first of three traditional open field battles shall commence fifteen (15) minutes after the fifteen (15) minute warning sounds, or no later than 10:00 AM on Saturday. It shall be fought to the last man. The order of battles shall be:
Atenveldt vs Caid,
Atenveldt vs Outlands , and
Caid vs Outlands.

No more than twenty (20) minutes shall elapse between each open field battle. Starting positions shall be determined by the two Principal Monarchs before each battle.

2. BROKEN FIELD SCENARIOS:

The first of three traditional broken field battles shall begin following the last open field battle. Combat shall continue to the last man. The order of battles shall be:
Atenveldt vs Caid,
Atenveldt vs Outlands , and

3. RANSOM BATTLE:

The three Principal armies shall take positions an equal distance apart from each other in the broken field for a Ransom Battle. The purpose of the battle is to capture any or all of five designated fighters per army. These 15 fighters must wear special tabbards identifying them as worth 50 gold coins a piece.

A Ransom fighter is captured when killed from behind using the phrase "You are captured, my lord" or he yields. Any other kill of a ransom fighter removes the ransom fighter from the scenario and gives the fighter a value of zero (0) coins. An army can recapture a ransom fighter captured from their side. Ransom fighters cannot leave the field. A kingdom cannot kill a ransom fighter it is defending.

The army holding the most ransom fighters at the end of 30 minutes shall be awarded the War Point. Kingdoms may ransom their fighters back at Grand Court on Saturday Evening.

4. BATTLE OF CHIVALRY:

Two battles shall be held so fighters may display their skill and honor on the field of battle. The first battle shall be held for members of the Chivalry only.

The second shall be for unbelted fighters only. Neither battle shall be fought for a war point. Three recognitions shall be bestowed:

a. The Atenveldt Ladies of the Rose shall bestow a Atenveldt Shield of Chivalry upon the combatant who displays the most chivalrous behavior upon the field.

b. The Caidan Ladies of the Rose shall bestow a Caidan Shield of Chivalry upon the combatant who displays the most chivalrous behavior upon the field.

c. The Outlands Ladies of the Rose shall bestow an Outlands Shield of Chivalry upon the combatant who displays the most chivalrous behavior upon the field.

For each of these two battles, the three Earl Marshalls shall divide the participants into two equal teams for a traditional open field battle to be fought to the last man. Projectile weapons may not be used.

SUNDAY

5. BRIDGE BATTLE SCENARIOS:

The first of three bridge battles shall begin at 11:00 AM. There shall be one (1) bridge that is thirty (30) feet wide and one hundred (100) feet deep. The order of battles shall be: Atenveldt vs Caid, Atenveldt vs Outlands, and Caid vs Outlands. No more than twenty (20) minutes may elapse between each bridge battle. Starting positions shall be determined by the two Principal Monarchs in each battle.

The battle can be won by either of the following:

a. Eliminating the opposing army.

b. The lapse of thirty (30) minutes (excluding holds), after which the army controlling 66% of the bridge wins the War Point. If neither army controls 66%, no War Point is awarded.

6. CASTLE BATTLE:

The three Principal armies shall take positions at three different entrances to a castle for a Castle Battle. The purpose of the battle is to capture the castle. No fighting may take place outside the castle walls. Fighting shall be to the last man. The castle shall be constructed after the last bridge battle.

The castle shall include one central circular keep of eighty (80) feet in diameter. From this keep, there shall be three (3) entrance corridors of thirty (30) feet length and twenty (20) feet width. There shall be three (3) interior walls within the keep. The interior walls of twenty (20) feet length shall be placed twenty (20) feet inside each entrance.

Fighting is allowed in corridors. There will be no shooting allowed over exterior walls, however, shooting shall be allowed over interior walls. Armies pushed out of the castle must yield. The battle shall be won by the army that controls the castle, with no opposing forces left.

7. RESURRECTION BATTLE:

The three principal armies shall fight a traditional two (2) hour Broken Field Resurrection Battle. Three Resurrection Points shall be placed at opposite ends of the field. Each team has a banner which the other team shall attempt to capture. Banners may be moved. If a banner is captured, the other team may attempt to recapture it. The side holding two of three banners at the end of two hours wins.

VII. Arts and Sciences Competition

The Arts and Sciences competition will be conducted as stated in Appendix A.

VIII. Archery Competition

The archery competition will be conducted as stated in Appendix B.

IX. Weapons/Armor Standards

A. Armor, weapons and safety standards for each combatant shall be of their Kingdom of residence. However, face thrusts shall be allowed and armor standards must reflect this. Inspections should be completed before the war, but they will be available on site.

B. Gleaning (collection) and reuse of undamaged projectiles shall be permitted.

C. Spears may not exceed nine feet.

X. Fighting Conventions

A. Face thrusts shall be allowed.

B. Killing from behind shall be allowed. The attacker must stay with the victim for a minimum of two (2) seconds and say something equivalent to "You are dead from behind, m'lord." The victim should accept the blow as soon as either the polearm is placed on the shoulder or the weapon is placed in view of the victim.

C. Combat Archery shall be allowed in all scenarios except where indicated. An arm or leg shot from a combat arrow will disable. A shot to the face shall be the only kill from a combat arrow. Body shots shall be discounted.

From The Archer General

Peregrine Elric of Courtenay, CSH, CGP

Greetings to all of those who participate or are interested in the Noble Sport of Archery in the Current Middle Ages. Congratulations are in order for the three **newest Companions of the Golden Pheon: Lord Morcar (known as Yanthlos) -Windkeep, Sir Mark von dem Falkensfenn - Windkeep, and Lord Caomh Beathan Crubach (known as Gentle Ben) - Gleann Medonach.** These gentles have given much to archery and helped many an aspiring Archer in the Outlands - all are well deserved! Also of great merit is the Archer most recently qualified as **Forester, Master Daffyd of Emmett - Caerthe.**

Archery Class

At the Kingdom Arts & Sciences Collegium held in the Shire of Hinterland, there was a three-hour presentation which covered the history and practice of Archery. This included a video of period arrows against plate armor (the armor is now a colander with large holes). After this, a lively discussion ensued between members of the Chivalry and various archers present about the merits and liabilities of plate armor against arrows.

While this was an enjoyable academic debate, the effectiveness of archery in an SCA war setting is well established and not subject to debate, since we purport to have our bodies armored with mail, (which gives no contest to an arrow at *any* angle).

The rest of the class was spent discussing just exactly what "period" equipment would be, including bows, arrows, and even garb! Many sources for documentation were also shown and discussed. A comprehensive bibliography will be published in the next revision of the Kingdom Archer Marshal Handbook in the Spring. The presentation was so well received that is was suggested we give it again, and I would certainly entertain queries in this regard.

Thank you's go out to all those who helped me with this project, especially **to my co-presentors Lords Thorfinn and Conchobhar** who brought much of their personal equipment and reference materials, **and to Lady Lughbec** who is researching what a member of the nobility engaged in Archery (in a Royal Hunt, etc.) would have *really* worn.

Kingdom Archery

At present there are **fifty-seven** warranted (Archery) **Marshals of the Field** (MOF) throughout our Kingdom. The newest of these are: **Albreanna d'Kyme - al-Barran, Lord Duncan O'Shea - Unser Hafen, Lord Conchobhar O'Loingseachain - Unser Hafen, and Darcus MacBee from** the (soon to be?) **Incipient Shire of Lost Souls,** (Durango, Colorado). Darcus worked closely with Baron Black Arrow in the Kingdom of Atenveldt, and is ranked as a Forester there. Welcome new Marshals, and may the archers in your charge shoot well and Safely.

Those who were warranted nearly two years ago will be receiving information on how to apply for a Marshal card renewal. It is an easy and painless process - just update the data sheet, jot down a few lines to describe what you've been up to (Archery wise) and indicate your SCA member number and expiration date. By returning this to me, you are indicating your continued interest and I will issue you a new MOF card. If you do not return the information to me before your current warrant expires, you will be subject to recertification. (Sort of like a modern day drivers license). Since we're dealing with Safety, I'm sure that the Kingdom can count on your timely and continuing support.

Although the Inter Kingdom Archery Competition (IKAC) season is at its end, you may still shoot Royal Round scores for a Kingdom Ranking through the end of December to put with other scores from this season. Any scores shot in January or later will be counted for next season to determine Kingdom ranking tassels. Whatever tassel you qualified for this season will carry over to the next season. Remember; in order to participate in the Royal Archer tournament (planned to be held again concurrently at Brigands Bizarre and Grand Outlandish) an Archer must be a Yeoman or above, or shoot a Yeoman qualifying score (45+ for a Royal Round) the morning of the tournament.

Be repairing your old and making new Archery equipment during the Winter months, and may all your arrows find their mark.

From the Kingdom Seneschal

Good Gentles:

I am pleased to announce the appointment of Maestra Francesca di Pavia as the Northern Regional Deputy Kingdom Seneschal. She will serve as the direct Kingdom interface to groups in the Northern (Colorado) Region. She joins the other Regional Deputies: Sir Kragon in the Southeast and THL Katrine in the Far North. I am still seeking a Regional Deputy for the Southwestern part of the Outlands. Maestra Francesca can be contacted c/o Meg Baron, 4502 Driftwood Place, Boulder, CO 80301-3175; 303-581-9814; e-mail: francesca@caer-galen.outlands.sca.org.

Maestra Francesca has also offered to publish a Kingdom planning calendar. This calendar will include purely local events as well as those on the Kingdom calendar in the OH and should serve as a valuable tool for long range planning to avoid conflicts. Please provide her with information on all events your group is planning.

Revised SCA Waiver Forms, one for minors and one for adults, are being distributed to the group seneschals and will soon appear on the membership forms. An unmodified, signed waiver is required for participation in SCA events. Non-members or members without blue cards will need to sign the waiver at each event. The language on the new forms is the result of a year-long study by the Waiver Committee and should be more "palatable" than previous versions.

Although the Committee tried hard to avoid it, the new waivers do contain the word "indemnify" in its specific legal meaning. It does not mean that anyone signing is promising to pay for the Society's defense if the Society is sued; it does mean that you agree not to sue the Society. Despite rumors that some insurance companies will drop coverage if a waiver is signed, no one has yet provided the Society or the Waiver Committee with any written documentation from an insurance carrier. The language on the waivers will continue to evolve based on research and your inputs. If you have questions or suggestions on the waivers, please contact the Waiver Committee through the SCA Membership Services Office.

An updated copy of Outlands Kingdom Law is being published in this issue of the OH. Please note the addition to Section VIII. B: [All Great Officers of State shall:] "5. make written reports to subordinate officers at least once every quarter." This change is to ensure that we maintain a two-way exchange between the Kingdom and our groups, and that the local officers receive the information they need to function.

A note to officers at all levels: DOOMSDAY REPORTS ARE DUE SOON! I will need the reports from group seneschals in my hands by the end of January (earlier would be much appreciated). Other officers have their own requirements and schedules.

Enjoy the upcoming holiday season!

From the Interkingdom Advisory Council

Unto the Gentle Folk of the Outlands,

Several issues ago I mentioned the IAC sent its first substantive report to the Board of Directors. That was for the July meeting. Last month we received word back.

Unfortunately, the Board didn't find the format of our report acceptable. Since then we've been revising the last report while we solicit input on the newer topics I've mentioned the last few issues. We hope to resubmit that last report at the next Board meeting in January.

The result of this is that there is still plenty of time to comment on the ongoing topics. That report won't be submitted until at least the April 1996 meeting. The current discussion is on Appointment and Removal procedures for Territorial Barons and Baronesses and Membership Requirements for Branch Status.

There is a summary of the first topic in the last two Outlandish Heralds so I won't repeat it here. The current membership limits for branchs are 5 for shires, 25 for baronies, 100 for principalities, and 400 for kingdoms.

Obituary

An empty spot now exists in the Heart of Unser Hafen. Mistress Aileen Bardon was taken from us on October 19, 1995.

Mistress Aileen was a long time member of the SCA in this area going back to the time that we were known as Stonehaven. She was a founding member of the Barony and gathered many honors to her self and the Barony. Aileen Bardon was a Mistress of the Laurel, a Companion of the Argent Hart and a co-premire of the Order of the Builders of the Partcullis of Unser Hafen. She carved the backs of the Baronial Thrones and the Walnut Kingdom Thrones.

She taught many and she taught well. Few crafts were beyond her. She was an invaluable reference for many subjects. She never believed anything was Impossible, just harder and would take a little longer. She fed Unser Hafen and the Kingdom many outstanding feasts and no one ever was allowed to be hungry when she had food in her basket.

She was the founder and head of the Household of the Irish Mad Woman, which fostered many into the SCA. Many outside Unser Hafen only knew her as the Irish Mad Woman.

We miss you greatly and it will take a long time to get over the lost feelings.

A proper Irish Wake is in the planning. We will let all know when the time and place is set.

A Memorial Fund has been established to fund a Cover of the *Outlandish Herald* and to help cover the left over medical bills. Letters of condolence should be sent to Patty Burch, PO Box 56, Timnath, CO 80547.

Celebrate the Irish

A Wake for Mistress Aileen Bardon

On December 16 1993 at 3:00pm at the Nunn Community Center in Nunn, Colorado. The household of the Inn of the Madwoman will hold a celebration of light. Costumes are encouraged at this potluck and BYOB event. This is a wet site, and we will have crash space at the site.

Bring games, stories, and songs, and share in the dancing and camaraderie.

This is a by-invitation-only event. For an invitation and map to the site contact:

From the Kingdom MOAS

Lady Marie d'Acre, Kingdom Minister of Arts & Sciences, sends Greetings.

At the most recent A&S Collegium, held in the Shire of Hinterland, I assumed the Kingdom MOAS office. I would like to thank Mistress Liobsynde for her many years of dedicated service as Minister of Arts & Sciences, as well as her advice and support during this transition.

Estrella War XII will be here before you know it. Since the Outlands is a primary participant this year, it is very important that we provide a strong turn-out in the Arts & Sciences Competition. The three categories will be: metal working, preserved foods and research papers. I have not received any guidlines from the Competition coordinator as of yet, but as soon as the information comes in, I will pass it on to the local officers. We have been asked to provide three judges for each of the above categories. There was some concern over the lack of representation by judges from the Outlands last year. Anyone willing to devote approximately one hour of their time to represent their Kingdom in this way should contact either myself or your local A&S officer.

Mistress Sarah de Montegomerie has volunteered to become the MOAS Deputy for the Kingdom. I encourage everyone to contact either of us with your comments, positive or negative. I am willing to change anything for the better.

In service to the Outlands.

Marie

Lost and Found

TABLERO DE JESUS
A Late Period Spanish Gambling Game

By Sire Bohémond de Nicée

HISTORY

Tablero de Jesus was very popular in Spain and in the Spanish possessions in the Low Countries during the first half of the XVth century. It was banned by the Pope in 1458, the ban enduring until the early XXth century!

BIBLIOGRAPHY

Gerhard Kendal of Westmoreland, *El Tablero de Jesus*, in *Indoor Games or How to While Away a Siege*, The Compleat Anachronist No 4, 1983

COMPONENTS

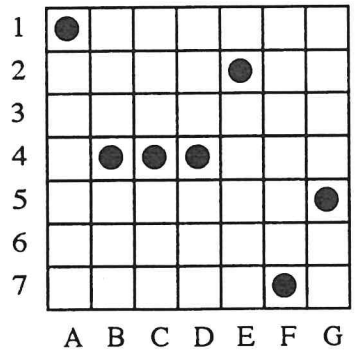
Board
Any seven by seven checkerboard will do. No doubt many games used an improvised board.

Dice
A pair of dice was used.

Stakes/Pieces
Each player supplied a stake of fifteen coins, which were used as playing pieces.

SET-UP

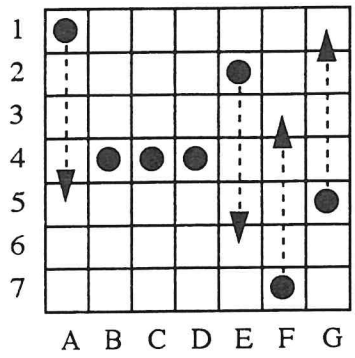
Each player rolls a die. Reroll ties. The low roller places five coins on either of rows 1 or 7, no more than one per column. The high roller places two coins likewise. The low roller plays first.



A game of Tablero de Jesus in progress

PLAYING TABLERO

Having thrown the dice, the player loses them to his opponent on a throw of 7, 11 or 12. On any other throw, he must move two coins, one per die —the same coin may not be moved by both dice. Each coin moves within the same column, never diagonally or across. The player moves each coin either away from or towards his side, by the number of rows indicated by the dice. A coin may not be moved back and forth on one die. If the player is unable to use both dice, he moves neither coin and loses the dice to his opponent.



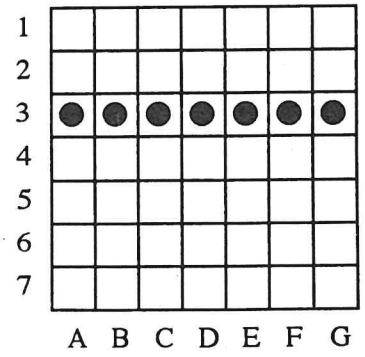
Possible coin moves on a throw of 4;
Note that the coins in columns B through D cannot move

After having moved the coins, if there are two or more lined up in a contiguous row (other than rows 1 or 7), the player may take them from the board. In the illustration above, there is such an alignment on row 4. If the player takes the coins from the board, his opponent replenishes the vacated columns from his own stake and then takes the dice. If the opponent has an insufficient stake, the game is over.

When receiving the dice, they must be thrown at least once.

RUNNING

If a row of seven coins is created, the moving player may announce a *run*. The opponent must then either forfeit the game or stake two of his coins on the run. The running player throws the dice. On a 7, 11 or 12, he loses the run and his opponent collects all nine coins. Otherwise, the running player collects the two coin stake and has the option of keeping on running. This keeps on until the runner stumbles, the opponent is unable or unwilling to stake two coins, or the running player decides to take the seven coins.



A run in progress
